## Bayaud Enterprises, Key Bank Entering Into New Program Partnership

Bayaud Enterprises is proud to announce a new partnership with Key Bank Colorado. Recently, Key Bank presented a check to Bayaud for \$25,000 to fund a brand new financial education program for our clients and consumers.

Key Bank and Bayaud Enterprises both believe that employment is only the first step toward success for an individual.

With a job comes the responsibility to manage one's finances, a major component of self-sufficiency.

This new partnership between Key Bank and Bayaud will establish Colorado's first financial literacy program for people with disabilities and other barriers to employment. This grant from Key Bank is a true collaborative project that

combines Bayaud's 41 years of service to people with disabilities and Key Bank's leadership and commitment to helping people that are disadvantaged.

Our combined efforts will guide the way toward independence and self-sufficiency for many individuals and families in our community. Thank you to Key Bank for making this program possible!

## Thank You to Our Swinging for Hope Supporters!

Thank you to all the sponsors, volunteers, players and Broncos Alumni who made our first annual Swinging for Hope Golf

Tournament a success! We enjoyed a lovely day of golf at the Cherry Creek Country Club, raising funds to support our programs.
