Department: GOST (General Office Skills Training)

Supervisor: Jessey Jones

Description of Duties: We want to learn about your career field! Address our GOST students about the world in which you work. What type of work you do, how long you have been in this field, your perception of the current market for your career, the type of education usually required to break into your line of work, etc.

A description of entry-level positions in your career would be valuable to our students. We would also like to hear your personal story. What drove you to work in your field? Talk about challenges you have faced, as well as personal successes. Let us know about the path that lead you to where you are today.
