

# Health Facilitator

volunteer position

**Mission:** Our mission is to provide Hope, Opportunity and Choice, with work as the means through which people with disabilities and other barriers to employment can more fully participate in the mainstream of life.

**Motivation:** You will educate individuals experiencing homelessness, significant economic challenges, and/or disabilities about the various practices they can use to improve their health and the health of their families. This is a chance to provide the tools for a healthier future to a population at risk for many medical issues.

**Department:** Community Resource Navigator

**Description of Duties:** Our organization is in need of 2 or more volunteer facilitators to assist with instruction of the general health of men and women. Qualified candidate will facilitate classes surrounding general health to a group of 5-10 people. Facilitator will deliver information concerning general health and wellness.

Facilitator should have some background working with individuals who are experiencing homelessness or other significant economic challenges, or who have disabilities.

**Training/Experience Required:** Experience or education in a health related field. Credentials to be reviewed.

**Schedule:** One class per month. Workshops will be on selected weekday mornings in July and August.

**Location:** Bayaud Enterprises  
333 W. Bayaud Ave.  
Denver, CO 80223

**Length of commitment:** One class a month for July and August.
