at 303-830-6885.

Congratulations to Betty Marroquin on receiving the 2009 South Central Region Usdane Award from NISH and the AbilityOne Program! Ms. Marroquin received this award for exhibiting outstanding achievement and exceptional character.

Ms. Marroquin is a switchboard operator at Bayaud's community

partner site, the VA Medical Center in Colorado Springs. She was nominated by Carole Pisko, director of federal contracts for Bayaud Enterprises.

Bayaud Enterprises is a partner of the NISH-AbilityOne Program. NISH is a national non-profit that works within the federal government to

create job opportunities for individuals with severe disabilities. Each year, the program honors several individuals across the country who show exemplary character and achievement.

We at Bayaud Enterprises are incredibly proud of Ms. Marroquin, and we appreciate all of her hard work!

Bayaud a Finalist for Denver Chamber Award

Bayaud Enterprises has recently been named one of three finalists for the Denver Metro Chamber of Commerce's Large

Nonprofit of the Year Award! On April 22, the Chamber will announce the winner of this and five other awards at their annual

Business Awards Luncheon. We are extremely honored to be nominated for this award and we wish all the nominees good luck!

Bayaud Receives CDOT Employment Contract, Creates 12 Jobs

Bayaud Enterprises has entered into a contract with the Colorado Department of Transportation to employ 12 to 15 individuals at their headquarters to process crash data information.

Bayaud Enterprises will have an on-site supervisor, along with the

mentioned personnel, to complete the project.

This partnership will provide the Colorado Department of Transportation with the staffing it requires to meet a backlog need they have, as well as create new jobs for people we serve.

This contract joins a list of many others that Bayaud Enterprises has entered into to create new job opportunities for individuals with disabilities and other barriers to employment.
