Contribute to Bayaud Enterprises Through Your Workplace Giving Campaign

Do you participate in a workplace fundraising campaign like Caring Connection, Colorado Combined Campaign, Combined Federal Campaign, or Denver Employees Combined Campaign? If you do, you can designate your charitable contributions to Bayaud Enterprises. For the combined campaigns, please use the following codes.

Please contact Lou Kallas at 303-830-6885 for further information.

*Colorado Combined Campaign - 1828

*Combined Federal Campaign - 50196

*Denver Employees Combined Campaign - 0529

As of July 1, Bayaud Enterprises will be a new impact partner of Mile High United Way. If your

company participates in a United Way giving campaign, you can choose to designate some or all of your donation to Bayaud Enterprises. Otherwise, any donation to Mile High United Way will benefit Bayaud's programs and services. For more information about Mile High United Way designation, please contact Danielle Hudson at 303-830-6885.

Employees Receive Outstanding Service Recognition

Commendations were presented to custodians Charlotte Roberts and Derek Broadfield by the Safety Division at the National Institute of Standards & Technology, a Bayaud work

site. Both custodians noticed and reported a small electrical fire. The building was subsequently evacuated and the fire extinguished by the Boulder Fire Department.

Thanks to these Bayaud employees for keeping safety at the forefront. Congratulations to Roberts and Broadfield for being recognized by the NIST Safety Division.

The Denver Foundation Awards Operating Grant to Bayaud

The Denver Foundation is a community foundation dedicated to improving life in Metro Denver through philanthropy, leadership, and strengthening the community. Community foundations are endowments - permanent pools of money contributed by donors to

benefit a specific geographic area. In 2008, The Foundation awarded \$62 million to nonprofit organizations. Recently, The Denver Foundation awarded a \$15,000 grant to Bayaud Enterprises for general operating expenses.
