Roberta Greengard Esq.  
Phil & Brenda Kruse  
Lucia Padilla Esq.  
Tom & Alison Sandler*

**Sponsorships are still available! Contact Danielle at 303-830-6885 for more information!**

Congratulations to Mark Moriarty, Lease Acquisitions Specialist at the Department of Veterans Affairs. Mr. Moriarty was named a Procurement Champion by the AbilityOne program.

Mr. Moriarty has had a 23-year career of working in contracts, and for the past four and half years, has worked at the VA. Prior to his work there, Mr. Moriarty was responsible for service contracts at Buckley AFB. Through Mr. Moriarty's contracts, he has created

more than 29 jobs for people with disabilities. He has a strong determination to create even more jobs, realizing how vitally important it is to provide work for those facing barriers to competitive employment. Through Mr. Moriarty's leadership, the AbilityOne program contracts have grown to include switchboard operations, patient escort, and document destruction.

Bayaud Enterprises has been a contract service provider for the VA Medical Center

for more than 15 years, working with Mr. Moriarty to create jobs for people with disabilities.

Because of individuals like Mr. Moriarty, Bayaud Enterprises is able to continue to serve the Denver community, creating jobs and creating hope. We'd like to thank Mark Moriarty for his dedication and continued support of AbilityOne and programs like Bayaud Enterprises. For more information about the AbilityOne program, please visit [www.nish.org](http://www.nish.org).

## Look for our new shredding truck around town!

Recently Bayaud Enterprises added a new truck to our document destruction fleet. Every day, these trucks travel all over the Denver

metro area to pick up paper for shredding. Business and residential customers can schedule pick ups or drop off their paper at our office.

The revenue generated supports our work in the community. For pricing and information, call Susan Williams at 303-830-6885.

## Habitat for Humanity: Partnering to Create Housing for Homeless

Bayaud Enterprises will be hosting two meetings with Habitat for Humanity on April 15 for anyone interested in learning more about receiving a house from Habitat for Humanity.

The meetings will be held at 3:00 and 5:30 pm (though an interested family needs to only attend one). The meetings will explain the application process and

make information available for any individuals who are homeless or low-income and in need of housing. We will also provide information for anyone interested in volunteering on a Habitat for Humanity house building project.

Bayaud Enterprises is a partner in Denver's Road Home, the mayor's 10-year plan to end homelessness. By

partnering with Habitat for Humanity, we are able to provide even more services for the homeless and low-income clients we serve.

*If you would like to attend one of the meetings, please RSVP to Lynda Drake at 303-830-6885 x 226.*

HOPE.  
OPPORTUNITY.  
CHOICE.
