Congratulations to our MacDonalD Tribute Luncheon Award Winners!

On May 13, Bayaud Enterprises and the community celebrated the 18th Annual Donald G. MacDonald Tribute Luncheon. The event, held at the Denver Center for Performing Arts, brought together 170 Bayaud staff, volunteers, board, friends, and family members to celebrate the accomplishments of

the past year. Keynote speakers Roxane White and Lynda Drake shared the importance of Bayaud's work in the community, and its value to those we serve every day.

This year, we honored 8 individuals and companies for their support and outstanding efforts to promote Bayaud's mission and work.

Congratulations to our award winners: Thule Organization Solutions Inc, Denver Department of Human Services, Nicole Pantona, Tony Kaufmann, Francisco Ruiz, Franklin Pierce Medford, Lynda Drake, and Dani Haynes

Thank you to all who made this event a success - we'll see you again next year!
