

Employment Matters

For 40 years, we have created **Hope, Opportunity and Choice**, with work as the means through which people with disabilities and other barriers to employment can more fully participate in the mainstream of life.

40 Years of Service to our Community

This year, Bayaud Enterprises celebrated 40 years of serving our community, pushing through tough economic times and remaining true to our mission. Though we've made some changes, we are still the strong organization we have been since 1969.

In 2009, Bayaud *Industries* became Bayaud *Enterprises*, a small change that exemplifies our entrepreneurial spirit, innovative programming,

visionary leadership, and infinite capacity to serve.

Though we have changed our name, our dedication and service to our community remains strong. We know that now, more than ever, *employment matters*. We also know that employment matters to the success of every individual, family and community. Every day Bayaud Enterprises' staff works diligently to ensure

that these critical employment services are being provided to those who need them most.

Can You Help the Bayaud Enterprises Family Celebrate the Season?

At Bayaud Enterprises, we celebrate the holidays with the clients we serve by providing a safe and fun-filled holiday party.

This year's Holiday Party will be held on Wednesday, December 9th. Our annual Holiday Party is something that our clients and the community look forward to every year. It is a time

where every adult and child enjoys a holiday dinner as well as dancing and gifts for the children.

You can help these families celebrate the season by donating new toys or store gift certificates to give away to the children and families. Each child receives a gift, and drawings for gift certificates are held all night for the

adults. If you or your business are interested in supporting our Holiday Party, please call Danielle at 303-830-6885 x 209. Thank you for your generosity!
