Secure Document Shredding

Bayaud Enterprises offers secure document shredding to protect your confidential documents and maintain the highest security for materials. Picked up by a member of our uniformed staff, documents are transported to Bayaud's high-security facility in locked trucks tracked by a GPS system.

Documents are then weighed and shredded under the supervision of our fully trained staff, while being monitored and recorded.

We offer services for both residents and businesses, with pick up and drop services available to the Denver metro area.

Please contact Susan Williams at 303-830-6885 for pricing and service information!

3rd Annual Glenn Wells Fund Art Auction to be held on November 14

On Sunday November 14, Bayaud Enterprises will be hosting the 3rd Annual Glenn Wells Fund Art Auction at the Solid Grounds Coffee Shop.

At the event, we will be showcasing the outstanding talent of many of our Bayaud consumers. Artists will be available to discuss their work and provide information.

Proceeds from the event will benefit the artists directly, as well as the Glenn Wells Fund. The Fund was established in 2006 as a no-interest emergency loan program for Bayaud consumers. Since then, it has been utilized for housing, food, and other immediate needs.

For more information, call 303-830-6885.

Thank You to Bank of America for Sponsoring Shred Days!

Bank of America sponsored three free shredding days around several communities in the Denver area. While collecting materials to be shredded, the group also

collected canned goods for Bayaud clients in need. The shred days gave residents the opportunity to have their confidential documents destroyed, while providing

work opportunities to Bayaud employees. Thank you, Bank of America!
